crassum -----	To 20 ft.; fls. white, fragrant; for warm gardens; June; China.	8-10 in.	\$1.50
cyanocarpum -	Tree to 20 ft.; fls. white flushed with rose; March-April; China.	12-15 in.	3.50
decorum -----	Handsome shrub to 20 ft.; fls. very fragrant, large, white or shell pink; May; from China.	8-12 in. 16-20 in.	1.50 3.00
deleiense ---	Small shrub; fls. deep rose-pink; April-May; from India	6-10 in.	2.00
desquamatum -	Shrub or small tree to 25 ft.; fls. mauve, spotted; April; from Western Yunnan and Burma	2½ ft. 3-4 ft.	4.00 7.50
diphrocalyx -	5-15 ft.; fls. fleshy, red, large red calyx; April; China.	10-12 in.	2.50
euchaites ---	To 20 ft.; bright crimson-scarlet, woodland form of <i>R. neriiflorum</i> ; April; from Burma.	12-16 in.	3.50
galactinum --	Tree to 22 ft.; fls. bell-shaped; pale rose with crimson blotch; April-May; from China.	15-18 in.	3.00
Griersonianum -	To 10 ft.; fls. bright geranium- scarlet; June; from China.	10-12 in.	2.50
Johnstoneanum -	Large bush; fls. white, very fragrant; May; from India.	15-18 in.	3.00
leucaspis ---	1-2 ft.; very handsome undershrub; fls. waxy, milky white; suitable for rock gardens; March; Tibet.	4-6 in.	1.50
Maddenii , var. calophyllum -	To 9 ft.; fls. white, flushed outside with rose; June; from India.	2 ft.	3.50
moupinense --	Small shrub to 4 ft.; fls. white, fragrant; February; Eastern Tibet.	5-6 in.	1.00
mucronulatum -	To 8 ft.; deciduous; fls. bright mauve pink; charming for early woodland bloom; January; Korea and Japan.	12-16 in.	1.50
neriiflorum -	3-9 ft.; fls. bright crimson; blooms in April; from China.	10-14 in.	3.50

		<u>Size</u>	<u>Price</u>
pemakoense --	Aromatic undershrub; fls. pinky-mauve; for rock gardens; April; from Tibet.	4 in.	\$1.00
polyandrum --	Shrub to 3 ft.; fls. white, flushed with pink; May; Himalayas.	12-18 in.	3.50
puralbum ----	To 15 ft.; fls. pure white, open cup-shaped; May; from China.	6 in.	1.00
racemosum ---	To 4 ft.; fls. pink; leaves small; March through May; from China.	2 ft.	3.50
Schlippenbachii -	To 15 ft.; fls. lovely, pure pink; deciduous; April; Japan.	16-18 in.	2.50
sperabile ---	To 6 ft.; fls. fleshy, tubular bell-shaped, scarlet; April; Burma.	5-6 in.	1.00
tephropeplum -	To 7 ft.; fls. rosy pink; charming and delightful plant; April; Tibet.	6-8 in.	1.00
Williamsianum -	To 5 ft.; spreading; fls. clear shell-pink; April; from China.	3-4 in. spread	1.00

OTHER RHODODENDRONS

The following plants are carried in limited quantities and in various sizes. Upon request we will be glad to supply quotations concerning sizes available and prices of same.

Species Rhododendrons

adenogynum	fulvum
adenopodum	Houlstonii
arboreum	ledoides
arboreum, var. album	orectrephes
argyrophyllum	paradoxum
argyrophyllum, var. cupulare	probum
Augustinii	pseudo-yanthinum
Baileyi	pubescens
barbatum	rhantum
calophytum	roseum
calostrotum	sanguineum
charitopes	scyphocalyx
chasmanthoides	villosum
chasmanthum	yunnanense
fulgens	sperabiloides

Hybrid Rhododendrons

Azor - soft salmon	Jean - salmon pink
Beauty of Littleworth - white	Lady Stuart of Wortley - pink
Betty Wormald - pale pink	Loderi King George - white
Bow Bells - pink	Loder's White - pure white
Britannia - crimson red	Mars - red
Cornish Cross - rose pink	Madame Fr. J. Chauvin - rosy pink
Cornubia - blood red	Mrs. E. C. Sterling - blush pink
Corona - coral pink	Mrs. G. W. Leak - pink with blotch
Cunningham's Sulphur - yellow	Mrs. Mary Ashley - salmon pink
Cynthia - rosy crimson	Penjerrick - yellow
Dawn's Delight - pink	Praecox - rosy lilac
Doncaster - scarlet-crimson	Purple Splendour - deep purple
Dr. V. H. Rutgers - analine red	Robert Fox - crimson red
Tabia - orange-red	Rosa Mundi - pink
Tabia x venator	Tally Ho - scarlet red
Faggetter's Favourite - pink	Unique - yellow
Griersonianum x Azor	Unknown Warrior - red
Griersonianum x discolor Fl	

OTHER SHRUBS

	<u>Size</u>	<u>Price</u>
Cassiope Mertensiana, var. gracilis - a dainty little heather from Oregon		\$1.50
Cassiope Stelleriana - Alaska Heather. Low, matted evergreen shrub; fls. white, bell-shaped; Wash. to Alaska, Asia		1.50
Eucryphia glutinosa - To 20 ft.; evergreen; fls. white, single. From Chile.	2½ ft.	5.00
Eucryphia glutinosa, forma plena - To 20 ft.; evergreen; fls. double, white. A very attractive selection from our own seedlings, having as many as twenty-eight petals.	6-8 in.	5.00
Leucothoe Davisiae - Western Leucothoe. Low, evergreen shrub with white, urn-shaped fls.; a delightful little treasure from Oregon.	4-6 in.	1.50
Pieris formosa ----- Slender, columnar evergreen shrub; spring foliage like burnished red leather; fls. white. From Himalaya Mts.	12-16 in. 4 ft.	2.50 7.50
Pieris japonica ---- Handsome evergreen shrub; fls. white, urn-shaped, early, fragrant. One of the finest of shrubs for home planting. Japan.	12 in. 2½ ft.	2.00 3.50

	<u>Size</u>	<u>Price</u>
Pieris japonica, forma crispa - Handsome new form with beautifully waved leaves. Fls. white, in panicles, early.	8-12 in.	\$5.00
Pieris japonica, "Poinsettia" - New growth bright red; fls. white, early-blooming.	12-16 in.	4.00
Pieris taiwanensis - Evergreen to 6 ft.; fls. white in dense panicles, flowering later than P. japonica. Formosa.	12 in.	2.50

TREES

Castanopsis chrysophylla. Chinquapin. Handsome broad-leaved evergreen with attractive spiny fruit. Wash. to Calif.	12-16 in.	1.50
Embothrium coccineum. Chilean Fire-bush. Small tree with showy, scarlet fls. borne abundantly; leaves deep green. Very showy and attractive. From Chile.	6 in.	3.00
Magnolia liliflora, var. nigra. Shrubby tree to 10 ft.; fls. large, rich rosy purple outside, paler inside. From China.	1 ft.	2.50
Magnolia Sieboldii. Tree to 30 ft.; fls. white, fragrant, 4 in. across, cup-shaped; fls. appear with the leaves; from Korea and Japan.	16-24 in.	3.00
Magnolia Watsoni. (A hybrid between M. obovata and M. Sieboldii) Fls. large, fragrant, with crimson-red center and pink sepals. In 5-inch pots.	6-12 in.	5.00
Magnolia Wilsonii. Tree to 25 ft.; fls. white with crimson filaments, fragrant; from China. In 3-inch pots.	1 ft.	1.50
Styrax japonica. To 30 ft.; fls. fragrant, white, pendent; from Japan.	4-5 ft.	3.00
Styrax Obassia. To 30 ft.; fls. white, fragrant, in many-flowered racemes. Japan	3½-4 ft.	3.50
Umbellularia californica. California Laurel. Evergreen, aromatic, dense, lustrous foliage. In Oregon known as the Myrtle Tree. Oregon to Calif.	1 ft.	1.50
